

Privacy Notice For Job Applicants, Internship Applicants and Interns

Isuzu Motors International Operations (Thailand) Company Limited (referred to as “the Company”) is committed to protect personal data of job applicants, internship applicants and interns (hereinafter referred to as “you”) pursuant to Personal Data Protection Act B.E. 2562 (“PDPA”)

In this privacy notice, the Company is a data controller who collects uses or discloses your personal data under PDPA. To comply with PDPA, a data controller must inform a data subject of the purpose of the collection of personal data based on the lawful basis; retention period; the categories of persons or entities to whom the collected personal data may be disclosed; and rights of data subject, the Company, therefore, publish this privacy notice for job applicants, internship applicants and interns under section 23 of PDPA.

The Company may update this privacy notice from time to time as appropriate. In the event this privacy notice is amended, the Company will announce an updated privacy notice on this website. This privacy notice will be effective immediately on the date of announcement.

1. What Personal Data The Company Collect

Personal Data means any information relating to a natural person, which enables the identification of such natural person, whether directly or indirectly, but not including the information of the deceased persons in particular. The Company may collect many types of personal data depending on the purpose of processing such data which include personal data as follows.

1.1 Information contained in your application, for example, information and documents that identified you, contact information, information of your spouse and your family, working condition, education, ability, capacity and other qualification, information about work experience, information about past employment, your picture, motion picture, information about military obligations, ability to drive vehicles, details of your reference person, or your information you provide to the Company in your application process.

1.2 Information obtained from the application and selection process, for example, information from assessment, job interview or information you provide to the Company or choose to share and disclose through any channels.

1.3 Information necessary for reporting regulatory agencies such as the Ministry of Labor, Ministry of Industry, Ministry of Commerce.

1.4 Other information necessary for recruiting and selecting staff or interns, compliance with an internship contract, provision of welfare and benefits, analysis, management, and legal compliance

1.5 If you are an intern, the Company also collects additional data such as information about your parents or guardians, bank account for payment of internship allowances, characteristics, information derived from your internship, and other relating information

1.6 Sensitive data for example, health information, biometric information, religious, ethnic religious belief, philosophy, race, nationality, disability, trade union information, information about criminal records

1.7 If you are selected to be an employee, the Company will collect additional personal data as set forth in the privacy notice for employees.

2. Why The Company Process Your Personal Data

2.1 The Company will collect use and disclose your personal data under following legal basis.

(1) It is necessary for the performance of a contract to which you is a party or in order to take steps at the request of you prior to entering into a contract, for example, for the Company's recruitment process, qualification verification, selection before becoming the Company's employee, compliance with an internship agreement, paying internship remuneration, and receiving benefits the Company provide to the Company's interns.

(2) It is necessary for compliance with a law to which the data controller is subjected e.g. labor law, laws relating to doing business, taxation law, and contagious disease control law.

(3) It is necessary for legitimate interests of the Data Controller or any other persons or juristic persons other than Data Controller, for example, analysis and creation of databases, management and improvement of the recruitment and employee selection process, internship evaluation, sending news about available positions, preparing an internship or employment contract (if you have been selected), and establish legal claims

(4) It is for preventing or suppressing a danger to a person's life, body or health. for instance, to prevent epidemic, to provide first aid, or to make contact in case of emergency.

(5) It is necessary for the establishment, compliance, exercise or defense of legal claims

(6) It is required by law to obtain your explicit consent under PDPA, for example,

(6.1) Health information and relating personal information in order to provide welfare for medical care to employees and their family, to provide work capability assessment, appropriate management compliance with relevant laws.

(6.2) Biometric data such as fingerprint and face image data in order to identify and confirm your identity to prevent crime and safeguard legitimate interests of the Company or other persons

(6.3) Your religious belief, philosophy, race, nationality, disability, trade union information, genetic data, and biometric data to provide facilities, activities and welfare that are suitable for.

(6.4) Your sensitive data as shown in identification documents, such as, ID card, passport or other documents issued by government agencies such as religious belief, race, nationality, blood group when it is necessary to use as required by law or to identify and confirm your identity

(6.5) Your relating personal information for disclosure to the affiliates as listed in the annex.

(6.6) Your relating personal information for being as reserved lists for offering job opportunity in case you do not pass the selection process this time.

2.2 In case, it is necessary for the Company to collect, use, disclose your personal data in order to perform contract or comply with law, but you do not give such personal data to us. As a result, the Company may not be able to perform contract or follow your request or violate the laws or having other negative impacts.

3. Changes in the Purpose of Processing Your Personal Data

The Company will process your personal data within the purpose stated in this privacy notice. If the Company is necessary to process your personal data for the purposes other sated in this privacy notice, the Company will immediately notify you.

4. How The Company Collect Your Personal Data

The Company will collect your personal data directly from you through the Company's job application website or system. The Company may also collect your personal data from recruitment services, your ex-employer, or governmental officer which the Company will notify you of such collection in this privacy notice.

In addition, the Company will collect your personal data through activities regarding employment or internship during the time you have worked with us.

The Company will use cookies to collect your personal data when you access to the Company's website. (Please see Cookies Policy of such website you access)

5. Disclosure of Your Personal Data

In case of necessity and achieving the purpose of collecting, use, and disclose your personal data according to this privacy notice, the Company may disclose your personal data to the following natural persons and juristic person, for example,

- (1) The Company's affiliates as listed in the annex
- (2) Service providers, contractors, any relating agents, or relating contract parties.
- (3) Government agencies or entities under other laws

6. Transferring Personal Data Overseas

In case of necessity, the Company may transfer your personal data to the Company's affiliates which are located in foreign countries as listed in the annex

In order to protect your personal data which is transferred to overseas, the Company has put in place a personal data protection policy regarding the sending or transferring of personal data to another data controller or data processor who is in a foreign country and is in the same affiliated business

7. Security Measures

The Company has appropriate security measure to protect your personal data from loss, unauthorized access and use, and unauthorized disclose, change, or destruction.

The Company has access control only for employees, contractors, representatives, third parties who need to know and perform their duty. If there is any third party processing of your personal data, the Company will control such third party to process your personal data within the Company's instruction appropriately.

8. Retention Period

The Company will retain your personal data and information about your family or related persons for the period necessary to meet the objection under this privacy notice. The retention period will depend on the necessity of performance of contracts between us, the necessity of compliance with a legal obligation, or prescriptive period for establishment, compliance, exercise or defense of legal claims.

The Company will delete or destroy your personal data when the retention period expires or when it becomes irrelevant or unnecessary for the purpose of collecting that personal data.

9. Your Rights as a Data Subject

9.1 You have the rights as a Data Subject under PDPA as follows:

- (1) Withdraw the consent you have given to the Company;
- (2) Request to view and copy your personal data or disclose the source where the Company obtains your personal data;
- (3) Send or transfer personal data that is in an electronic form as required by personal data protection laws to other data controllers;
- (4) Oppose the collection, use, or disclosure of personal information about you;
- (5) Delete or destroy or make your personal data non-personally identifiable (anonymous) information;
- (6) Suspend the use of your personal data;
- (7) Correct your personal information to be current, complete, and not cause misunderstanding; and
- (8) Complain to the Personal Data Protection Committee in the event that we, the Company's data processors, the Company's employees, or the Company's contractors violate or do not comply with personal data protection laws.

9.2 You can exercise the rights under this section 10 by using the Data Subject Request Form, Consent Withdrawal Form which shows on the Company's website through the contact information in section 10 or you can contact the Company directly via such contact information You will be able to exercise your rights when the law is enforced.
